A photograph of a laboratory workstation. On a light-colored desk, there are several computer monitors and input devices. From left to right, there is a small monitor, a larger monitor, and a third monitor that is partially obscured. Below the desk are several white storage cabinets with drawers. Some drawers have yellow labels. The floor is blue. A large white object, possibly a piece of equipment or a bag, is in the foreground.

A photograph of a laboratory setting. In the foreground, a white fume hood is shown with its front panel open, revealing internal components. A person is partially visible behind the hood. The room has a window with blinds and a ceiling light fixture.

A photograph of an office interior. In the foreground, there's a white desk with a coiled yellow cable on it. To the left, there's a black office chair and a white storage unit with yellow folders. In the background, there are more desks, chairs, and a large window looking out onto a green landscape. A large red 'X' is overlaid on the left side of the image.

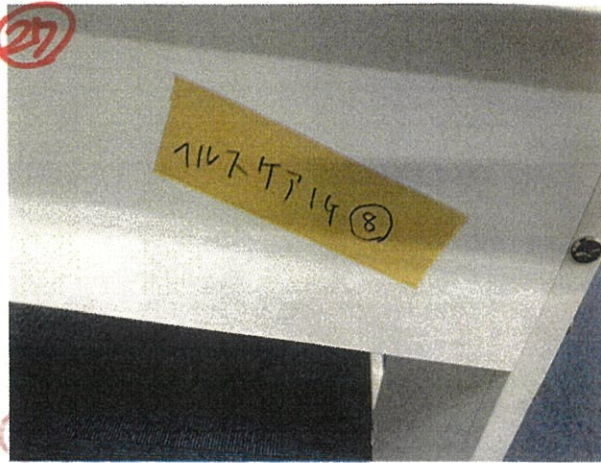

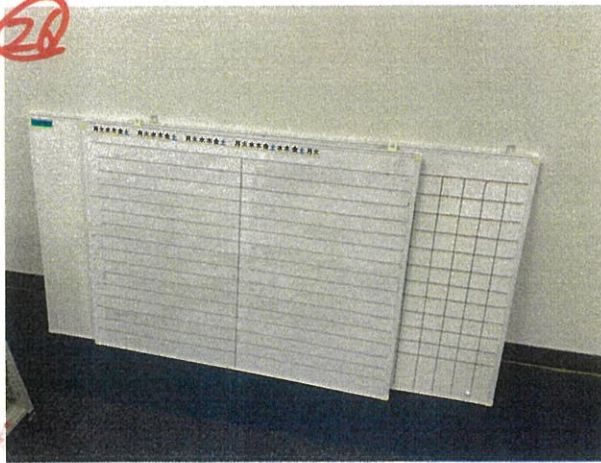

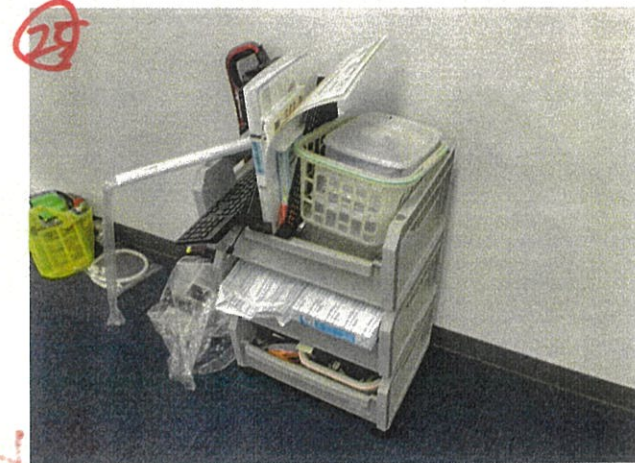

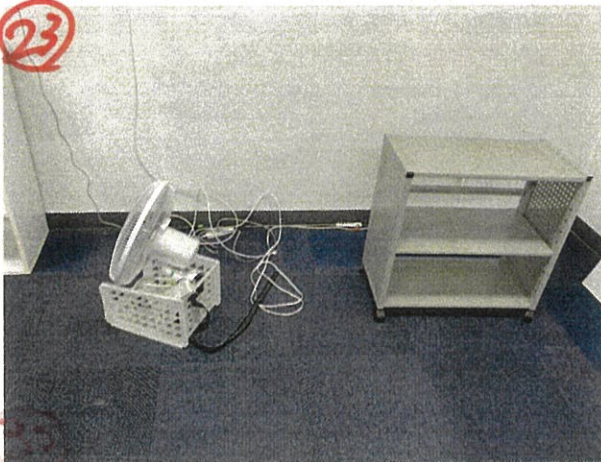

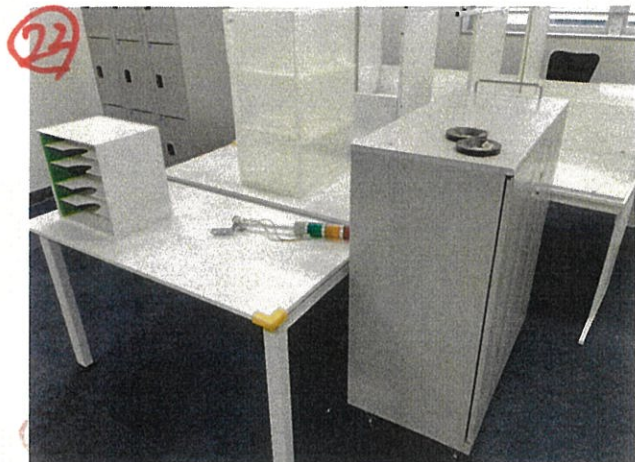

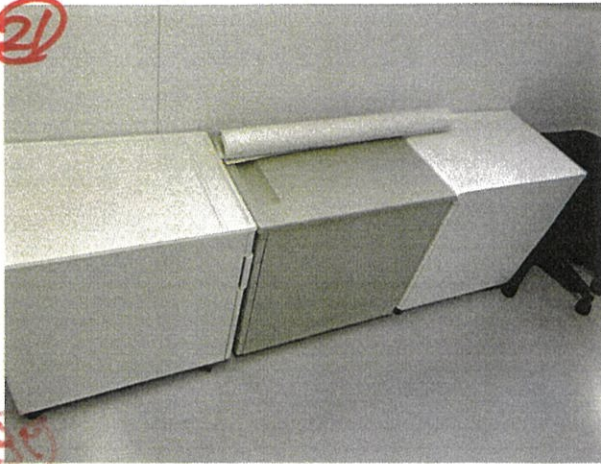

A photograph of a computer workstation in a laboratory setting. The desk is white and holds a computer monitor, keyboard, and mouse. A blue office chair is positioned in front of the desk. The background shows a white wall with a clock and a door.

A photograph of a cluttered desk. In the foreground, a white computer keyboard and a black mouse are visible. To the right of the keyboard is a small, colorful, rectangular object, possibly a calculator or a small electronic device. Behind the keyboard, there are several papers and a small box. A yellow box with Chinese text is prominent. In the background, there is a large, light-colored box or container with multiple compartments. The desk surface is white and shows signs of wear. The overall scene suggests a workspace or a storage area.
